Te Uku School Athletics

Thanks to parents and caregivers who came along to support our school athletics event this morning. The teachers will be selecting a team to represent our school at the inter-school event being held on Friday 27th November; notices will be issued to the children selected in the next few days.

Skateboarding at Lunchtimes

In the newsletter today you will have received a permission form for skate boarding at school during lunchtimes (starting on Monday). The school has its own skateboards, children are not required to bring their own. We do have some safety gear to lend to children, however, if any families have helmets or knee/elbow pads they would like to donate the school we would be very happy to receive them.

Round the Bridges

31 of our children have entered into the Round the Bridges event being held this Sunday, well done everyone who is taking on this great challenge. Today these children will all receive a notice with the details they need and tomorrow they will be issued with their race pack and school t-shirt. Mrs Turilli and Mrs Ryks look forward to being there to support on Sunday.

White Ribbon Day

The Raglan Community House is supporting this year's "White Ribbon Day" on the 25th November by aiming to cover the house with White Ribbon messages. Our children have been invited to help with this by writing a message, or their name, on a ribbon shape that will be displayed on Raglan House. The teachers will support the children to do this at school as part of their learning programme.

Te Kura Early Childhood Programme

Te Aho o Te Kura Pounamu ~ Correspondence School

Te Kura provides a free early childhood programme in your home for your preschool child.

Your preschool child may be eligible if:

- **you live more than 6kms from your nearest licensed early childhood centre and your child attends a licensed early childhood centre for less than 8 hours per week**
- **or your preschool child has high health needs, special educational needs or there are special family circumstances preventing attendance at a face to face early childhood centre**

Registered, early childhood teachers in Wellington work in partnership with whanau, providing a personalised programme and support through freephone, email, letters and events held in regional areas. The programme includes learning materials for your child, information on child development and ideas for activities that whanau can do with their child at home.
