## **Building Project**

The demolition work in Rooms 7 and 8 is nearly completed; the space is looking great now that it has been opened up. The resource room that used to sit between these two classrooms has now been brought into the classroom space. We are starting to plan our move back into the new spaces; we will be organising a ‘working bee’ in hope that some of our parents/caregivers will be able to come into school and help with the moving of furniture, resources, etc. We will advertise this next term.

## **Naming the ‘new classroom’ spaces**

Following on from our recent whānua hui, we have now set up a ‘collaborative wall’ in the hallway outside the multi-purpose room to start the process for naming the new classroom spaces. We would really like our families to contribute to this process. The photos below will give you an idea of what is set up on the wall, and by all means talk to the teachers about how you can be involved.

## **New Staff**

The Board is in the process of finalising the appointment of the teacher to replace Victoria Cooper in Discovery Two at the end of the term.

## **Interviews**

Thank you to parents/caregivers of Year Three children who have booked their “Parent, Teacher, Student” interview with Victoria and Bernard, for next week. We are offering these interviews due to Victoria taking leave at the end of the term. Next week we will advertise the interview dates for Term Three for everyone else in next week’s newsletter. Our usual online booking system will be set up for the interviews.

Ngā mihi ki a koutou,

Rachel Allan

## **From our Fundraising Committee:**
