## **Interschool Cross Country**

A reminder that for our selected team, the Interschool Cross Country is being held tomorrow at Waitetuna School – **RAIN, HAIL, OR SHINE!** Parents are reminded that wet weather gear/a change of clothes may be required for those attending. We will be leaving Te Uku School at 9.15am, and there will be a welcome at Waitetuna School at 9.45am. Good luck to our Te Uku representatives in their races, we know you will do us proud!

## **New Board of Trustees Member**

The Te Uku School BOT would like to officially welcome Megan Wood as their newest member. Thank you Megan for helping to shoulder this responsibility, we know you will find it as worthwhile as all the current members! The next Board meeting is scheduled for the 25<sup>th</sup> June at 6.30pm, and, as always, all are welcome.

## **Sushi Price Increase**

We have been notified that the fabulous sushi makers at Aloha Sushi have increased their prices as of this week. They are doing this with 'heavy hearts' as a result of rising costs from suppliers. All items have increased by 50c, which still makes the sushi delivered to school cheaper than you can buy in the shop – a discount we are very grateful for.

New sushi prices as of Wednesday 23<sup>rd</sup> May:

Chicken Teriyaki -      small \$4.00      large \$7.00

Avocado -              small \$4.00      large \$6.50

Tofu Musubi - \$5.00

Spam Musubi - \$5.00

## **Fundraising Committee Call-Out**

To all the fabulous Te Uku Parents...we need you!

As the previous fundraising committee are all now working full time, we have vacancies for new parents & existing to step forward and do your voluntary part in helping us to fundraise.

The previous committee have been committed for four years & will still be there to help and support all events where possible.

We wouldn't have a sandpit if it wasn't for the dedicated committee we've had. It is projects like this, we can't complete without a committee and parent help.

Any ideas, time, donations (if you have no time to help) would be greatly appreciated.

The BOT are currently considering a range of exciting projects for the FRC to contribute to.

Please don't be shy, it is super fun and very rewarding.

Contact Rachel in the office for more information.

If you haven't done so already, please join us on Facebook. This provides a quick and easy way for us to communicate with our community, especially when time is of the essence. It also provides a fabulous platform to share what is happening in our school on a day to day basis. <https://www.facebook.com/teukuschool/>

The school website <http://www.teuku.school.nz/> also carries a range of information, and some amazing photos of our activities.

## **Rachel Allan's Trees**

Recently, D4 students assisted Basil in planting the fruit trees gifted to Te Uku School by Mrs Allan when she left us at the end of Term 2. In future, these should provide students with a wealth of healthy snacks to fuel their bodies, learning and imaginations. What an awesome investment in our school community!

## Have Your Say

<https://conversation.education.govt.nz/>

This website and the online survey are part of a national Education Conversation - Kōrero Mātauranga.

The Minister of Education Chris Hipkins wants to hear from a wide range of New Zealanders about the education system of the future. He'd like this national Education Conversation to set the way forward and agree shared priorities across the whole system – from early learning, schooling and tertiary through to lifelong learning.

He's looking for you and your community to be involved. Children, young people, their parents, whānau, communities, teachers, adult learners and those who need learning support, Māori, Pasifika, employers and industry, along with researchers, disability organisations and education leaders at all levels – you are all encouraged to join the conversation.

Four questions:

1. If you were the boss of education in New Zealand, what would you do first?
2. What does a successful student of the future look like to you?
3. What will they need to know and be able to do?
4. What things need to be in place to make sure every learner is successful?
