

Tēnā koutou e te whānau o Te Uku

Dear Parents/Caregivers,

### **Raglan Bus Users**

It has come to our attention that some parents are not abiding by the agreement to collect Te Uku School students down the road from the bus bay area at Raglan Area School. In particular, we have received a complaint about a car that parked between the buses last Friday 22<sup>nd</sup> June, preventing the buses from leaving and blocking the traffic from being able to pass around the roundabout.

I know in this unpredictable weather, the temptation is to get as close as possible, but we just cannot allow ourselves that luxury if we want to maintain good relations with Raglan Area School, and continue the current agreement we have to use their space as a drop off point for our bus students.

### **D4 Coastal Planting Wednesday 27<sup>th</sup> June**

Yesterday, our Year 7 & 8 pupils were involved with the first of the Raglan planting bees for the season helping restore the back-dune area at Papahua. The 20 pupils and Mrs Clarkson helped plant several hundred grasses, flaxes and shrubs. The sun was shining, the soil was soft and the students were willing. This ongoing project is run in conjunction with Stacey from the Whaingaroa Environment Centre.

### **Te Uku Students Succeeding Outside the Classroom**

A few weekends back, Emma and Bella ran a stall at the Raglan Market as part of a school project on how to change the world. Their enquiry was about Cancer and they decided to make things to sell and fundraise for the Cancer Society. They were amazed when the official count showed they had raised \$244.20! They want to say a special thank you to the teachers and families who were there that supported their fundraiser. Well done girls! You make us very proud!
