Tēnā koutou e te whānau o Te Uku

What a busy first term this has been, packed with loads of new learning and exciting EOTC adventures. The completion of Term 1 also brings with it the completion of the first full 1-year cycle for me. I would like to take this opportunity to thank the Te Uku School community for your continued support and contributions. I am also thankful to be working with such a talented and dedicated staff who continuously go above and beyond the call of duty to ensure our students are getting a unique, high quality education experience. Getting to know over 100 Te Uku students over the past year has been an absolute delight and a highlight of my time here. I am looking forward to next term and what the rest of the year holds in store for us all. Until then, I wish you all a joyful and relaxing holiday time together

Ngā mihi ki a koutou,

Pip Mears

Student Achievement and Reporting to Parents

We are well underway with our Educa student portfolio's and have recently invited parents to join us in this sharing of student learning. If you have not yet received an email invite for this, please let your child's teacher know. It is great to see those who do have access, viewing and commenting on the snapshots of learning your child's portfolio provides.

Next term we will also be inviting parents to join us here at school for our Student Led Conferences. These will be held on Thursday 16th May. More information about how to book a time for your child's student led conference will come home early next term.

Karakariki Camp

The year 5 and 6 camp at Karakariki Christian Camp this week was awesome. We had brilliant weather, the children managed themselves really well and the parents were hard working and so appreciated. The children challenged themselves to kayaking, rock climbing and tree climbing. On Tuesday we walked to the Karakariki Waterfall where most of the children braved the cold and submerged themselves in the freezing water.

Thanks to everyone who made the camp so successful.
