

Te Pānui o Te Kura o Te Uku 21/20

15 Whiringa-ā-nuku 2020

Tēnā koutou e te whānau o Te Uku

Welcome back to our fourth and final term for this year. We are grateful to be back in level 1 and are obviously hoping we remain here; however, if we are required to move levels, we are ready to resume our school procedures as per level 2 or to move back to online learning as per level 3 and 4.

Next Tuesday, we are holding our annual local Agricultural Day for Te Uku School and Raglan Area School - who traditionally combine for this event. Then on Friday, we will be hosting the Raglan Boys and Girls Agricultural Day. This is the group day for Te Mata, Waitetuna, Raglan Area and Te Uku schools. We are looking forward to these events going ahead and wish our students entering either day the very best of luck.

With the fine weather that Spring and Summer bring, we remind everyone to be sun safe and bring a sunhat to wear at school each day – this is compulsory in term 4.

Our term dates for 2021 are now confirmed, please see the notice below for details.

BOT MEMBERS

Kristi Daniel, our fabulous Board Chairperson, has shared with us that she will be standing down from the Te Uku School Board at the end of this year to pursue advanced career related opportunities. Bernard Butler will also be standing down from the role of staff rep at the end of the year. Both Kristi and Bernard have been highly valuable and dedicated Board members, Kristi for nearly 4 years and Bernard for 7 years! I wish to sincerely thank them both for their valuable contributions over this time.

If you are interested in becoming a Te Uku School Board member – starting in February 2021, please see Pip or any other Board member to discuss this further.

Ministry of Education – Māori Medium Survey

The Ministry of Education Waikato wants to deliberately plan for future Māori medium provision in our region so has initiated the development of a regional Māori Medium Network Strategy.

An important component of the strategy is to find out what the demand for Māori medium education is, now and in the future. Therefore, they have developed a quick survey to give as many people as possible from across the region the opportunity to share their thoughts.

Here is the survey link: [Waikato Māori Medium Network Survey](#), and it will be available from Thursday 1st October – Friday 16th October 2020.

E mihi ana.

WHY READ FOOD LABELS?

LABEL READING

Food labels provide us with nutritional information. This enables us to compare products equally. It also helps us to make informed decisions around dietary requirements.
